PART A OVERVIEW

1 Introduction

- 1.1 Bank Negara Malaysia (“the Bank”) through the Monetary Policy Committee, announces its monetary policy stance through the level and changes in the overnight policy rate (OPR). In this regard, the implementation of monetary policy targets the overnight interbank rate to fluctuate within a corridor around the OPR. Interbank Institutions would transact among themselves at rates within this corridor to meet their overnight liquidity needs before utilising the Bank’s standing facilities. The corridor is transparent to the Interbank Institutions and will be revised in line with any changes in the OPR.
- 1.2 The Bank introduced the standing facilities to ensure that overnight interbank rates trade within a corridor around the OPR by providing a lending/funding facility and a deposit/acceptance facility at the upper (ceiling rate) and lower limit (floor rate) of the corridor respectively.
- 1.3 This policy document sets out the operational procedures relevant to the eligible collateral to ensure the efficiency of the standing facilities operations.

2 Applicability

- 2.1 This policy document is applicable to all Interbank Institutions as defined in paragraph 5.1.

3 Legal provisions

- 3.1 The requirements in this policy document are specified pursuant to section 95 of the Central Bank of Malaysia Act 2009, section 140 of the Financial Services Act 2013 (FSA) and section 152 of the Islamic Financial Services Act 2013 (IFSA).
- 3.2 The guidance in this policy document is issued pursuant to section 266 of the FSA and section 277 of the IFSA.
