

Stay Competitive with Greener Business

Greening Halal Businesses (GHB) aims to support Malaysian halal SMEs with practical support to adopt **sustainable practices**

Why Going Green Matters?

Promote Efficiency & Cost Control

Greener practices often reduce operating costs over the medium term

Unlock New Opportunities

Widen market potential in tapping international opportunities

Strengthen Business Resilience

Avoid costly remedies and strengthen future resilience

How GHB Supports SMEs?

Green Upskilling
Complimentary ESG¹ training and subsidised carbon accounting software

¹Environmental, Social and Governance

Green Financing
Access to competitive financing from participating banks

Impact Assessment
Progress tracking on GHG² emissions

² Greenhouse Gas e.g. Carbon Dioxide, Methane Gas
