</tr>
<tr>
<td>2.</td>
<td>Who is eligible to apply for HTG?</td>
<td></td>
</tr>
</tbody>
</table>
- Malaysian SMEs\(^1\) in the following sectors:
  
| Manufacturing | • Electrical and Electronics (E&E)  
• Chemicals  
• Refined petroleum  
• Machinery and Equipment (M&E)  
• Medical devices & pharmaceuticals  
• Automotive and transport equipment (including aerospace; vehicle and parts manufacturers)  

| Services | • Information and Communication Technology (ICT)  
• Research and Development |

(Sectors identified to be most aligned to the long-term strategic development goals for Malaysia under the National Investment Aspirations (NIAs\(^2\))

OR

- Businesses (including commercially ready start-ups) involved in providing technology solutions.  
(Non-exhaustive list and PFIs are allowed to propose relevant technologies under the three key segments – green technology, digital and 4IR technology and biotechnology)

| Green technology | • Renewable energy & energy efficiency  
• Transportation  
  - Clean transportation, electric vehicle, battery development  
• Natural resources  
  - Sustainable water and waste management  
  - Aquatic conservation and pollution prevention  
• Circular economy  
  - Reusing, recycling and remanufacturing  
  - Repurposing of stranded assets  
• Agritech  
  - Precision and automated farming  
  - Vertical farming |

---

**Farming using drones, IoT and big data analytics**
- Low carbon technologies
  - Low carbon-emitting technologies (Carbon, capture, utilisation and storage (CCUS), low carbon hydrogen)

**Digital and 4IR technology**
- Smart manufacturing (IoT solutions)
- Artificial Intelligence (AI)
- Big data analytics
- Virtual/ Augmented reality
- Robotics
- Drone technologies
- Connectivity and distributed infrastructure (5G, blockchain, cloud computing)
- 3D printing
- Software development (digital healthcare technology, e-commerce, fintech and payment platform, gaming mobility solutions)

**Biotechnology**
- Neurotechnology
- Biohealth (genetics)
- Biosciences (crop and yield improvement)

**OR**

- SMEs and start-ups in key Government programmes that are involved in innovation and commercialisation for range of critical technologies such as 4IR-related technology, green technology, digital and biotechnology under national blueprints:
  a) MDEC’s Global Acceleration and Innovation Network (GAIN)

<tr>
<th></th>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>6.</td>
<td>How can SMEs know that they are eligible to apply for financing under the HTG?</td>
<td>SMEs are advised to contact PFi s to ascertain their eligibility under the HTG. All applications for financing will be subjected to credit assessment by PFi s.</td>
</tr>
<tr>
<td>7.</td>
<td>Is HTG open to existing customers of the PFi s only?</td>
<td>No, HTG is open to new and existing SME customers of the PFi s as long as they fulfil the eligibility criteria set out by BNM and meet PFi s’ credit assessment.</td>
</tr>
<tr>
<td>8.</td>
<td>Can SMEs obtain the HTG to re-finance existing loans?</td>
<td>No, the HTG is not to be utilised for re-financing existing business credit/financing facilities.</td>
</tr>
<tr>
<td>9.</td>
<td>Do SMEs need to provide collateral to obtain financing under the HTG?</td>
<td>No, collateral is not required under the HTG.</td>
</tr>
<tr>
<td>10.</td>
<td>How much is the guarantee fee charged on financing under the HTG?</td>
<td>The requirement for guarantee on financing under the HTG will be based on the assessment by the PFi s. The guarantee coverage, if any, can be provided by Credit Guarantee Corporation Malaysia Berhad (CGC) or Syarikat Jaminan Pembiayaan Perniagaan Berhad (SJPP). However, where applicable, this guarantee fee would already be included in the financing rate charged to the customers, i.e. up to 5.0% per annum.</td>
</tr>
</tbody>
</table>
| 11. | If my business is not eligible for the HTG, what other support is available to me? | • SMEs who are facing difficulty with loan/financing repayment are advised to engage their respective financial institutions for rescheduling and restructuring (R&R) of their existing loans/financing facilities, to help alleviate their cash flow problems  
  • SMEs that are not eligible for the HTG may apply for financing from other facilities under BNM’s fund for SMEs (e.g. All Economic Sector Facility, Agrofood Facility, Micro Enterprise Facility or SME Automation and Digitalisation Facility), or other financing products for SMEs offered by the financial institutions. SMEs can also apply via the imSME3 platform. Approval for financing under the above schemes are subject to the specific scheme’s eligibility criteria and assessment by the PFi s  
  • Additionally, they could obtain financing advisory services through MyKNP@CGC (Financing Advisory Services) that provides advisory assistance and tips to improve eligibility for future financing and alternative sources of finance (https://imsme.com.my/portal/myknp-cgc-faq/)  
| 12. | What can an SME do if its application for financing under any of the facilities is rejected by the PFi? | If an application is rejected, the SME is advised to do the following:  
  a) Obtain clarification from the PFI on the reason(s) of rejection;  
  b) Consider re-submitting the application via the imSME platform, if the SME has not done so earlier;  
  c) Obtain financing advisory services through MyKNP@CGC (Financing Advisory Services); or  
  d) Channel enquiries or complaint to BNM via BNMTELELINK:  
  • Tel: 1-300-88-5465  
  • Web form: eLINK |
