1. Unsur niaga yang dimasukkan di dalam Belanjaan Biasa sekarang mencerminkan dengan lebih tepat kedudukan sebenar akaun semasa Kerajaan iaitu:
(a) pindaan-pindaan di antara akaun Kerajaan adalah ditunjukkan atas asas kassa; dan (b) pindaan-pindaan ini telah diseimbangkan dengan potongan bersih dalam proses penyatuan. Tambahan pula, pinjaman-pinjaman yang dibuat daripada Belanjaan Biasa dan Belanjaan Pembangunan adalah sekarang diasingkan.
2. Angka-angka suku tahunan adalah permulaan. Mulai daripada 1hb. Januari 1971, data yang dilaporkan tidak termasuk butir-butir hasil dan perbelanjaan bagi Jabatan Telekom kerana butir-butir ini dimasukkan berasingan ke dalam satu Kumpulan Wang Amanah Khas.
3. Termasuk hasil Kumpulan Wang Perlepas tetapi tidak termasuk pembayaran balik pinjaman oleh kerajaan-kerajaan negeri dan badan-badan berkanun.
4. Tidak termasuk pindaan kepada Kumpulan Wang Pembangunan.
5. Termasuk ambilan dari Kemudahan Pembiayaan Pampasan dan Stok Penimbal IMF.
6. Termasuk hasil daripada penjualan harta dan geran daripada kerajaan dan organisasi asing.
7. Termasuk perubahan-perubahan dalam baki-baki Kumpulan Wang Amanah Kerajaan. Tanda tolak menunjukkan perimbangan harta-harta.
Nota: Kalendar siaran awal bagi kategori data ini boleh didapati di laman web DSBB-IMF (<http://dsbb.imf.org>).

1. Transactions included in the Ordinary Budget now reflect more accurately the true position of the current account of the Government in that: (a) transfers between government accounts are shown on a gross basis; and (b) these transfers are netted off in the process of consolidation. Furthermore, loans made from the Ordinary Budget and the Development Budget are now separated.
2. Quarterly figures are preliminary. From 1 January 1971, data reported exclude revenue and expenditure items of the Telecommunications Department, these being accounted for separately in a Special Trust Fund.
3. Include Sinking Fund revenue but exclude loan repayments by state governments and statutory authorities.
4. Exclude transfer to Development Fund.
5. Include use of IMF Compensatory and Buffer Financing Facilities.
6. Include proceeds from the sale of assets and grants from foreign government and organisations.
7. Include changes in Government Trust Fund balances. A minus sign indicates the accumulation of assets.
Note: An advance release calendar for this data category is published on the IMF's Dissemination Standards Bulletin Board (<http://dsbb.imf.org>). Numbers may not add up to total due to rounding.
