1 Urus niaga yang dimasukkan di dalam Belanjawan Biasa sekarang mencerminkan dengan lebih tepat kedudukan sebenar akaun semasa Kerajaan iaitu:
(a) pindahan-pindahan di antara akaun Kerajaan adalah ditunjukkan atas asas kasar, dan (b) pindahan-pindahan ini telah diseimbangkan dengan potongan bersih dalam proses penyatuan. Tambahan pula, pinjaman-pinjaman yang dibuat daripada Belanjawan Biasa dan Belanjawan Pembangunan adalah sekarang diasingkan.
2 Angka-angka suku tahunan adalah permulaan. Mulai daripada 1hb. Januari 1971, data yang dilaporkan tidak termasuk butir-butir hasil dan perbelanjaan bagi Jabatan Telekom oleh kerana butir-butir ini dimasukkan berasingan ke dalam satu Kumpulan Wang Amanah Khas.
3 Termasuk hasil Kumpulan Wang Penjelas tetapi tidak termasuk pembayaran balik pinjaman oleh kerajaan-kerajaan negeri dan badan-badan berkanun.
4 Tidak termasuk pindahan kepada Kumpulan Wang Pembangunan.
5 Termasuk ambilan dari Kemudahan Pembiayaan Pampasan dan Stok Penimbal IMF.
6 Termasuk hasil daripada penjualan harta dan geran daripada kerajaan dan organisasi asing.
7 Termasuk perubahan-perubahan dalam baki-baki Kumpulan Wang Amanah Kerajaan. Tanda tolak menunjukkan penimbunan harta-harta.

Nota: Kalendar siaran awal bagi kategori data ini boleh didapati di laman web DSBB-IMF (http://dsbb.imf.org).

Sumber: Jabatan Akauntan Negara

1 Transactions included in the Ordinary Budget now reflect more accurately the true position of the current account of the Government in that: (a) transfers between government accounts are shown on a gross basis, and (b) these transfers are netted off in the process of consolidation. Furthermore, loans made from the Ordinary Budget and the Development Budget are now separated.
2 Quarterly figures are preliminary. From 1 January 1971, data reported exclude revenue and expenditure items of the Telecommunications Department, these being accounted for separately in a Special Trust Fund.
3 Include Sinking Fund revenue but exclude loan repayments by state governments and statutory authorities.
4 Exclude transfer to Development Fund.
5 Include use of IMF Compensatory and Buffer Financing Facilities.
6 Include proceeds from the sale of assets and grants from foreign government and organisations.
7 Include changes in Government Trust Fund balances. A minus sign indicates the accumulation of assets.

Note: An advance release calendar for this data category is published on the IMF's Dissemination Standards Bulletin Board (http://dsbb.imf.org).
Numbers may not add up to total due to rounding.
