Curriculum Vitae

Muhammad Ibrahim
Deputy Governor, Bank Negara Malaysia

Deputy Governor Muhammad Ibrahim was appointed to the position in June 2010. He sits on Bank Negara Malaysia's Monetary Policy and Financial Stability Committees. He is responsible for the development of the financial markets and Treasury operations including foreign exchange and reserve management of the Central Bank. He also oversees the development of the banking including Islamic finance and insurance sector.

Muhammad is responsible for promoting Malaysia's agenda of migration to e-Payments aimed to generate cost and operational efficiency for businesses. He is also actively involved in collaborative efforts with the regional central banks to develop a multi-currency payment settlement platform aimed to enhance linkages in cross border transactions in trade and investment.

He also serves as Chairman of the Finance Accreditation Agency; Board member of the Retirement Fund Incorporated; member of the Malaysian Institute of Accountants; panel member of the National Trust Fund. He is also the Senate Chair of the International Centre for Education in Islamic Finance; was the Chairman of the Irving Fisher Committee on Central Bank Statistics, Bank for International Settlements; and a Fellow of the Asian Institute of Chartered Banker.

He holds a bachelor's degree in accounting from the University of Malaya and Master's Degree from Harvard University and a post graduate diploma from International Islamic University of Malaysia.
